### ***Lots of fun***

Millions of young people have known and enjoyed Scouting since it was started back in 1907. Today's programme of activities is geared to the interests of young people in the 21<sup>st</sup> Century.

Scouting is dependent on the support of adults who give of their time freely. Training is given to develop the knowledge and skills required to help the young people develop their full potential.

We look forward to you becoming part of a great movement and having fun.
